## Education

---

### Bachelor's of Computer Application

Computer • Ahemdabad , Gujarat

07/2024

### Senior Secondary

CBSE Board • Banswara, Rajasthan

06/2019

### Secondary

CBSE Board • Banswara, Rajasthan

04/2017

## Experience

---

### Internship | Full Stack Development Intern

Internshala Trainings

12/2023 - 07/2024

Successfully completed a comprehensive Full Stack Development internship, focusing on both front-end and back-end technologies.

Gained hands-on experience with key technologies including HTML, CSS, JavaScript, React.js, Node.js, Express, and MongoDB.

Developed and deployed fully functional web applications, following best practices in coding, testing, and debugging.

Collaborated in a team environment, working on live projects, and enhancing problem-solving skills.

Strengthened understanding of RESTful APIs, database management, and version control using Git.

### Internship | Artificial Intelligence Intern

CodSoft

09/2023 - 10/2023

Developed AI and machine learning models to solve real-world problems, enhancing prediction accuracy and performance.

Collaborated with a team to design and implement algorithms in areas such as natural language processing, computer vision, and data analysis.

Conducted data preprocessing, feature engineering, and model optimization to improve system efficiency.

Participated in code reviews, project planning, and documentation, ensuring adherence to best practices in AI development.

### Internship | C++ Programming Intern

InternPe

06/2023 - 07/2023

Developed and optimized C++ programs for various projects, focusing on improving performance and code efficiency.

Collaborated with a team to design, implement, and test software solutions, adhering to best practices in C++ development.

Assisted in debugging and troubleshooting existing codebases, contributing to the resolution of critical software issues.

Gained hands-on experience with modern C++ features and tools, enhancing proficiency in object-oriented programming, data structures, and algorithms.
